JELLY

**DECLARATION**

Honorable Commissioner for Patents

Sir:

10 I, Tsunehiro FUKUCHI, a citizen of Japan residing in A201, East  
16, 541, Kirai, Higashikagawa-shi, Kagawa-ken, Japan, declare as  
follows:

I graduated from Kagawa University, Department of Education in  
1991, and graduated Kyushu Institute of Technology, School of  
15 Computer Science and System Engineering in 1994.

From 1994 to now, I have been employed in TEIKOKU SEYAKU  
CO., LTD. and I have engaged in research and development on the  
preparation of Chinese medicines in said company.

20 I am one of inventors of the above patent application (U.S. Serial  
No. 10/522,603) and am familiar with subject matter thereof.

Under my supervision the following tests were carried out.

In order to clarify the effect by a combination of carrageenan,  
carob (locust) bean gum and xanthan gum, following experiments were  
25 carried out.
